

**Independent Auditor's review report on Unaudited Quarterly and Year to Date Financial Results of
Trustedge Capital Limited (Formerly known as Adinath Exim Resources Limited) under Regulation 33 of the
SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

To

The Board of Directors of

Trustedge Capital Limited (Formerly Known as Adinath Exim Resources Limited)

1. We have reviewed the accompanying statement of unaudited financial results of **Trustedge Capital Limited (Formerly known as Adinath Exim Resources Limited)** ("the company") for the quarter and nine months ended December 31, 2025 ("the Statement") being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended read with relevant circulars issued by SEBI (the "Listing Regulations").
2. This statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34") prescribed under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, "Review of interim Financial information Performed by the independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India ("ICAI"). This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with standards on auditing specified under Section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed or that it contains any material misstatement.

Any application guidance / clarifications / directions issued by Reserve Bank of India ('RBI') or other regulators are implemented as and when they are issued / applicable.
- 2 The unaudited standalone financial results for the quarter and nine months ended December 31, 2025 have been reviewed by the Audit Committee and subsequently approved by the Board of Directors of the Company at its meeting held on January 28, 2026.
- 3 In compliance with the SEBI Listing Regulations, a limited review of the standalone financial results for the quarter and nine months ended December 31, 2025 has been carried out by the Statutory Auditors.
- 4 The Company is a Non Banking Financial Company and has no activities other than those of a finance company. Accordingly there are no separate reporting segments as in Ind AS 108 "Operating Segment".
- 5 The figures for the quarter ended December 31, 2025 are the balancing figures between unaudited figures in respect of the nine months ended December 31, 2025 and unaudited half year ended figures up to September 30, 2025.
- 6 Previous period / year figures have been regrouped / reclassified, wherever found necessary, to confirm to current period / year classification.
- 7 During the current quarter, the company has allotted 33,74,428 fully paid-up equity shares at an issue price of ₹80 per share (including share premium of ₹70 per share), aggregating to ₹2,699.54 lakhs on a right basis in accordance with Chapter III of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirement) Regulations, 2018 ("SEBI ICDR Regulations"), as amended, and other applicable laws. This approach is consistent with the guidance issued by the Institute of Chartered Accountants of India.
Based on the internal assessment by the company, incremental impact of these changes has been recognised as an employee benefit expense in the result of the company for the quarter and nine months ended December 31, 2025. The Company continues to monitor the finalisation of Central and State Rules, as well as Government clarifications on other aspects of the Labour Codes, and will incorporate appropriate accounting treatment based on these developments as required.
